An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Scott on 1/6/2006.

The application has been amended as follows:

At the end of claim 1, after "groove" inserted --, each of said anti-rotation elements extending from one of said inner side wall and said outer side wall to a location spaced from the other of said inner side wall and said outer side wall--;

The following is an examiner's statement of reasons for allowance: the prior art does not disclose the shape of the anti-rotation elements within the groove as claimed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
